### Hongkong International Terminals 50th Anniversary Fun Day Free admission to Maritime Museum and Special Programmes on 1 December 2019

Hong Kong, 25 November, 2019 – In celebration of the 50th anniversary of Hongkong International Terminals (HIT), the terminal operator will be sponsoring complimentary admission to the Hong Kong Maritime Museum (HKMM) on “HIT 50th Anniversary Fun Day”, scheduled for 1 December 2019 (Sunday). On top of the Museum’s signature activity, KM Koo Ship Bridge Simulator, visitors can also enjoy the special music concert presented by Windpipe Chinese Music Ensemble.

For 50 years, HIT has spearheaded the industry to strive for excellence in strengthening the competitiveness of Hong Kong Port, and to transform Hong Kong from a tiny fishing village to one of the world’s busiest container ports. With all these efforts, Hong Kong’s trading and logistics has become a pillar industry Hong Kong people are proud of. Meanwhile, HIT is relentlessly committed to corporate social responsibility in environmental protection, education and community services.

As a CSR partner of the HKMM, HIT has been supporting the museum’s developments for many years and set up the “Hongkong International Terminals Gallery” at HKMM, brings together the memories of the maritime industry and unearths untold, behind-the-scenes stories about the prosperity brought about by the container terminals.

history in Hong Kong and the Pearl River Delta, and the vital roles ships and the sea play in our past, present and future.

The Museum opened its door to the public at Murray House in Stanley in 2005 and relocated to Central Pier No. 8 in the heart of the Central Harbour Waterfront in 2013. Today the Museum displays about 1,000 objects in 15 galleries, attracting about 130,000 visitors annually. HKMM also houses various event spaces, resource centre, a roof-top social enterprise café, and gift shop that contribute to visitors' experiences. HKMM engages with the community of Hong Kong by actively engaging in education and public programming offered to schools, adults, community groups and families.
