About Hong Kong Maritime Museum

The Hong Kong Maritime Museum (HKMM) was founded by members of the Hong Kong Shipowners Association committed to helping the Hong Kong community and visitors to Hong Kong explore the city's unique maritime heritage. HKMM was named as a TripAdvisor Travellers' Choice Top 10 Museum in China in 2017, and is an independent, non-profit registered charity supported by the shipping industry, the business community, private individuals and the Hong Kong SAR Government. HKMM is a cultural institution that tells the story of trade and maritime history in Hong Kong and the Pearl River Delta, and the vital roles ships and the sea play in our past, present and future.

The Museum opened its door to the public at Murray House in Stanley in 2005 and relocated to Central Pier No. 8 in the heart of the Central Harbour Waterfront in 2013. Today the Museum displays about 1,000 objects in 15 galleries, attracting about 130,000 visitors annually. HKMM also houses various event spaces, resource centre, a roof-top social enterprise café, and gift shop that contribute to visitors' experiences. HKMM engages with the community of Hong Kong by actively engaging in education and public programming offered to schools, adults, community groups and families.
