To comply with international shipping regulations, the container number and technical data on the top right-hand corner must be displayed clearly. We recommend avoiding placing key elements of your design in this section, as they will be cropped or covered in the final application. 根據國際海運規定，貨櫃右上方的編號及基本資料必須清晰顯示。因此，冠軍作品在印製時，該位置的畫作內容將會被裁切或覆蓋，敬請留意。
